This product is exclusively available under Proteintech Group brand and is not available to purchase from any other manufacturer.

Selected Validation Data

PC-3 cells were subjected to SDS PAGE followed by western blot with 10103-1-AP (AKAP8L Antibody) at dilution of 1:300 incubated at room temperature for 1.5 hours.

Immunofluorescent analysis of HEK-293 cells using 10103-1-AP (AKAP8L antibody) at dilution of 1:50 and Alexa Fluor 488-conjugated AffiniPure Goat Anti-Rabbit IgG(H+L).
