

For Research Use Only

Periostin Polyclonal antibody

Catalog Number: 19899-1-AP

Featured Product

30 Publications

Basic Information

Catalog Number:

19899-1-AP

Source:

Rabbit

Isotype:

IgG

Immunogen Catalog Number:

AG13791

GenBank Accession Number:

BC106710

GeneID (NCBI):

10631

UNIPROT ID:

Q15063

Full Name:

periostin, osteoblast specific factor

Calculated MW:

93 kDa

Purification Method:

Antigen affinity purification

Recommended Dilutions:

IHC: 1:50-1:500

Applications

Tested Applications:

IHC, ELISA

Cited Applications:

IHC, IF

Species Specificity:

human, mouse, rat

Cited Species:

human, mouse, rat, zebrafish

Note-IHC: suggested antigen retrieval with TE buffer pH 9.0; (*) Alternatively, antigen retrieval may be performed with citrate buffer pH 6.0

Positive Controls:

IHC : human colon tissue, human breast cancer tissue, human skin cancer tissue

Background Information

Periostin (POSTN, PN), originally named as osteoblast-specific factor 2 (OSF-2), is a 90-kDa secreted protein which is now classified as a matricellular protein. It is present in a wide variety of normal adult tissues and fetal tissues, and has a role in bone, tooth and heart development and function. Studies show that periostin is overexpressed in a broad range of human cancer types, including lung, ovary, breast and colon cancers. Recent evidence reveals that periostin is expressed by fibroblasts in the normal tissue and in the stroma of the primary tumour, and it is required to allow cancer stem cell maintenance. The isoforms of periostin are between 83 and 93 kDa in mass and differ in their C-terminal sequences, characterized by individual presence or absence of cassette exons 17-21 (UniProtKB/Swiss-Prot, PMID: 21997759).

Notable Publications

Author	Pubmed ID	Journal	Application
Han Li	32964617	J Biomed Mater Res A	IHC

Storage

Storage:

Store at -20°C. Stable for one year after shipment.

Storage Buffer:

PBS with 0.02% sodium azide and 50% glycerol, pH7.3

Aliquoting is unnecessary for -20°C storage

This product is exclusively available under Proteintech Group brand and is not available to purchase from any other manufacturer.

Selected Validation Data

Immunohistochemical analysis of paraffin-embedded human colon tissue slide using 19899-1-AP (Periostin antibody at dilution of 1:200 (under 10x lens).

Immunohistochemical analysis of paraffin-embedded human colon tissue slide using 19899-1-AP (Periostin antibody at dilution of 1:200 (under 40x lens).
