

For Research Use Only

C16orf74 Polyclonal antibody, PBS Only

Catalog Number: 30246-1-PBS

Basic Information

Catalog Number:

30246-1-PBS

Concentration:

1 mg/ml

Source:

Rabbit

Isotype:

IgG

Immunogen Catalog Number:

AG32878

GenBank Accession Number:

BC009078

GeneID (NCBI):

404550

UNIPROT ID:

Q96GX8

Full Name:

chromosome 16 open reading frame

74

Observed MW:

15 - 20 kDa

Purification Method:

Antigen affinity purification

Applications

Tested Applications:

WB, IHC, Indirect ELISA

Species Specificity:

human

Background Information

The C16orf74 has been reported associated with tumor necrosis factor (TNF)-alpha as well as hypoxic condition. Moreover, several reports have indicated that C16orf74 expression is a potential prognostic factor in several types of cancer. The results of several genome-wide studies have indicated that C16orf74 is involved in inflammatory processes. C16orf74 is overexpressed in the vast majority of human PDAC (Clinical outcome of pancreatic ductal adenocarcinoma), and likely plays a significant role in pancreatic cell growth and invasion through its interaction with PPP3CA.

Storage

Storage:

Store at -80°C.

The product is shipped with ice packs. Upon receipt, store it immediately at -80°C

Storage Buffer:

PBS only, pH7.3

This product is exclusively available under Proteintech Group brand and is not available to purchase from any other manufacturer.

Selected Validation Data

Various lysates were subjected to SDS PAGE followed by western blot with 30246-1-AP (C16orf74 antibody) at dilution of 1:3000 incubated at room temperature for 1.5 hours. This data was developed using the same antibody clone with 30246-1-PBS in a different storage buffer formulation.

Immunohistochemical analysis of paraffin-embedded human pancreas cancer tissue slide using 30246-1-AP (C16orf74 antibody) at dilution of 1:200 (under 40x lens). Heat mediated antigen retrieval with Tris-EDTA buffer (pH 9.0). This data was developed using the same antibody clone with 30246-1-PBS in a different storage buffer formulation.
