

For Research Use Only

Human Ig Lambda Light Chain Recombinant monoclonal antibody, PBS Only

Catalog Number: 87680-2-PBS

Basic Information

Catalog Number: 87680-2-PBS	GenBank Accession Number: GeneID (NCBI): 3500	Purification Method: Protein A purification
Source: Rabbit	Full Name: immunoglobulin heavy constant gamma 1 (G1m marker)	CloneNo.: 251292B12
Isotype: IgG	Observed MW: 25-30 kDa	
Immunogen Catalog Number: EG6676		

Applications

Tested Applications:
WB, IHC, Indirect ELISA

Species Specificity:
human

Background Information

Human Immunoglobulin Lambda Light Chain 1, encoded by the IGLC1 gene, is the constant region of the lambda light chain that pairs with a variable region to form a functional antibody, playing a critical role in immune response by contributing to antigen binding and structural diversity.

Storage

Storage:
Store at -80°C.
The product is shipped with ice packs. Upon receipt, store it immediately at -80°C

Storage Buffer:
PBS only, pH7.3

This product is exclusively available under Proteintech Group brand and is not available to purchase from any other manufacturer.

Selected Validation Data

Recombinant protein were subjected to SDS PAGE followed by western blot with 87680-2-RR (Human Ig, λ Light Chain 1 antibody) at dilution of 1:1000 incubated at room temperature for 1.5 hours. This data was developed using the same antibody clone with 87680-2-PBS in a different storage buffer formulation.

human plasma were subjected to SDS PAGE followed by western blot with 87680-2-RR (Human Ig, λ Light Chain 1 antibody) at dilution of 1:1000 incubated at room temperature for 1.5 hours. This data was developed using the same antibody clone with 87680-2-PBS in a different storage buffer formulation.

Immunohistochemical analysis of paraffin-embedded human tonsillitis tissue slide using 87286-17-RR (Human Ig, λ Light Chain 1 antibody) at dilution of 1:1000 (under 20x lens). Heat mediated antigen retrieval with Tris-EDTA buffer (pH 9.0). This data was developed using the same antibody clone with 87680-2-PBS in a different storage buffer formulation.
