For Research Use Only

CoraLite®532-conjugated Beta Actin Monoclonal antibody

Catalog Number: CL532-66009

Featured Product

Basic Information

Catalog Number: CL532-66009

Size: 1000 µg/ml

Source:

Mouse Isotype:

IgG2b

Tested Applications: IF/ICC Species Specificity:

human, mouse, rat, hamster, zebrafish, monkey, dog

Purification Method:

Protein A purification CloneNo.:

2D4H5

Positive Controls:

IF/ICC: A549 cells,

Recommended Dilutions: IF/ICC 1:50-1:500

Excitation/Emission maxima

wavelengths: 537 nm / 560 nm

Background Information

Applications

Actins are highly conserved globular proteins that are involved in various types of cell motility and are ubiquitously expressed in all eukaryotic cells. At least six isoforms of actins are known in mammals and other vertebrates: alpha (ACTC1, cardiac muscle 1), alpha 1 (ACTA1, skeletal muscle) and 2 (ACTA2, aortic smooth muscle), beta (ACTB), gamma 1 (ACTG1) and 2 (ACTG2, enteric smooth muscle). Beta and gamma 1 are two non-muscle actin proteins. Most actins consist of 376aa, while ACTG2 (rich in muscles) has 375aa and ACTG1(found in non-muscle cells) has only 374aa. Beta actin has been widely used as the internal control in RT-PCR and Western Blotting as a 42-kDa protein. However, the 41 kDa cleaved fragment of beta actin can be generated during apoptosis process. This antibody can recognize all the actins. The isotype of this antibody is IgG2b. For murine tissue sample, conjugated antibody (HRP-66009) or rabbit antibody (20536-1-AP) is preferable.

GenBank Accession Number:

NM 001101

UNIPROT ID:

Full Name:

actin, beta

Calculated MW: 42 kDa Observed MW: 42 kDa

P60709

GeneID (NCBI):

Storage

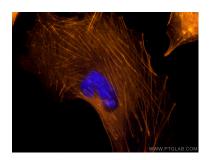

Storage:

Store at -20°C. Avoid exposure to light. Stable for one year after shipment.

PBS with 50% Glycerol, 0.05% Proclin300, 0.5% BSA, pH 7.3.

Aliquoting is unnecessary for -20°C storage

Selected Validation Data

Immunofluorescent analysis of (-20°C Methanol) fixed A549 cells using CoraLite®532 Beta Actin antibody (CL532-66009, Clone: 2D4H5) at dilution of 1:100.
