

Catalog Number: CM01961

产品信息

Catalog Number:
CM01961

CAS号:
1783-96-6

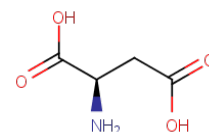

分子式:
 $C_4H_7NO_4$

主要靶点:
Endogenous
Metabolite|NMDAR|GluR

主要通路:
代谢|神经科学|离子通道

分子量:
133.1

溶解度:
H₂O: Insoluble, 1eq. NaOH: 100
mM, Ethanol: Insoluble

描述

D-Aspartic acid (D-Asp) is an endogenous amino acid existing in invertebrates and vertebrates. It can regulate testosterone synthesis and is an agonist of NMDA receptor.

储存

Powder: -20°C for 3 years | In solvent: -80°C for 2 years
